Where the basics begin...

Summer Basketball Clinic

(for boys/girls entering 3rd grade next fall)

The **Blair Basketball Club** would like to spend some time this summer working with players who will be entering 3rd grade next fall. The Basketball Club will be forming a 3rd grade boys/girls team next season for competitive play. Whether or not competitive play interests you at this time, we'd like to help these young players start to learn proper skill technique and/or refine their skills in line with what HS coaches are teaching.
